

CYLINDER

The KARAKA CYLINDER planter is available in a range of stock sizes to provide for upright plant displays in spaces both large and small.

As with all Karaka range planters, the CYLINDER can be manufactured to a size that fits your specific planter requirements. The list at right represents just a sample of the sizes available.

Note: Tall cylinders have an internal shelf.

| Model | Size ø (mm) | Size h (mm) | Grow Pot |
|-------|----------------|----------------|-------------|
|-------|----------------|----------------|-------------|

| | | | |
|-----------------------|-----|-----|-------------|
| CYLINDER 20 | 220 | 190 | 8" / 200mm |
