The Attache Recycle Duo is a pair of litter bins designed for easy separation of litter from recyclable materials. The Attache fits perfectly into the modern workspace, and is particularly suitable for small business kitchens and lunch rooms. It can be used in both indoors and outdoor situations.

The Attache comes in two sizes - the Slimline and the larger capacity Classic. The bin body is made from recyclable polyethylene in a wide range of colours. The top and base band (where fitted) are high quality stainless steel. 100% recycled bin liners are included with all bins.
