

LONGMARCH SEAT

Metal Art Limited
Street & Park Furniture

The Longmarch Seat is a low-cost park seating option for councils and other organisations with casual open space furniture needs.

Simple in design yet robust and practical in application, the Longmarch Seat comprises Vitex slats on a 50 mm galvanised pipe frame that is fixed in-ground.

Timber finishing options are available and the hot-dip galvanised steelwork can be powder coated to your colour of choice.
