

LYREBIRD BENCH RECYCLED PLASTIC

Metal Art Limited
Street & Park Furniture

DESCRIPTION

The three-slat Lyrebird Bench is a sturdy and practical piece of park furniture with a traditional look. It is available in the usual range of Replas profile lengths & colours, for in-ground or surface fixing on its black recycled-plastic supports.

Like all Replas products, the Lyrebird is a low-maintenance seating option that will outlast timber alternatives while still retaining its fresh and attractive appearance over periods of heavy use.
