

PARKLANDS SEAT

Metal Art Limited

Street & Park Furniture

The Parklands Seat features large-profile 90 x 70 mm H4 treated pine slats on our usual high-specification galvanised steel framing.

This is a park seat designed for tight budgets and built to take the knocks with easy maintenance. It is uncomplicated yet robust and practical to suit any open-space park or reserve setting.

Timber finishing options are available and the steelwork can be powder coated to your colour of choice.
