

SUNRAY SUN CHAIR

Inspired by the languid form of the manta ray, the Sunray is ergonomically engineered in polyethylene to maximise comfort. It exudes luxury for those who know the meaning of indulgence and repose. Ideal for hedonistic poolside environments, Sunray can be stacked away at a moment's notice.

The Sunray is 2020mm long by 680mm wide, and 430mm high with adjustable back lowered. It is available with a choice of top & base colour combinations.

Designed by Brian Steendyk for ANON&Co.
