

## TRANSIT RECYCLE STATION

The Transit Recycle Station is a streamline interpretation of a modern recycling bin. It provides two x 60 litre-capacity bin liners, to suit many applications.

Customised signage and mould-in graphics are available as an option. Use of coloured metal spinings and signage will ensure your recycling programme is visible and effective.

Model	Size l (mm)	Size w (mm)	Size h (mm)	Capacity (Litres)
-------	-------------	-------------	-------------	-------------------
