

GOLDEN MILE BOLLARD

Metal Art Limited
Street & Park Furniture

The Golden Mile bollard is a familiar sight in Wellington's city streetscape. This heavy duty and highly visible bollard provides clear distinction between pedestrian and vehicle traffic zones in the busy central business district environment.

The Golden Mile is available either surface mounted on a cast iron base, or as a conventional in-ground model. It has a long-life, hard-wearing finish available in the colour of choice.
