Street & Park Furniture

The Golden Mile Bench is an icon of Wellington's Lambton Quay streetscape. This heavy duty bench seat stands on legs of cast iron, its galvanized steel frame supporting timber slats of the highest quality saligna hardwood. All metal components in the Golden Mile seat range have a hardwearing finish available in the colour of choice.

Where high quality public seating spaces need to be maximised in a city street or mall environment, the classy Golden Mile Bench is a practical option that will give many years of service.
