

# SPEED HUMP RECYCLED PLASTIC

Metal Art Limited  
Street & Park Furniture

The Replas speed hump is made from 100% recycled plastic, and is available in yellow or grey.

Designed for use in off-street parking areas, the product is light enough for handling by one person. Fixings are available for simple installation onto both concrete and bitumen surfaces.

Replas speed humps conform to AS/NZS 2890.1:2004 Parking Facilities Part One – Off Street Parking. Not recommended for installation in areas of heavy transport use.
