

OIL JAR

Conjuring up images of Alibaba and the Forty Thieves, the tall KARAKA OIL JAR is a striking plant container that's a talking point wherever it is on display. The short OIL JAR comes in sizes fit for table and counter placement or on the floor. Whatever the size, the OIL JAR projects your plantings within the exotic theme created by this shapely form.

As with all our KARAKA planters, OIL JARS can be finished in your powder coater colour of choice. The list at right represents just a sample of the sizes available.
