

125mm REPLAS BOLLARD

RECYCLED PLASTIC

The Replas 125mm square bollard is made of 100% recycled plastic, moulded with a hollow section and pyramid shaped top. Like all our recycled plastic bollards, the 125mm can be enhanced with a routed collar and reflectors, or fitted with plaque signage to suit the purpose.

125mm Replas bollards are available in a range of colours. They are easy to install stand alone or linked via chain or pipe. Replas recycled plastic bollards will not split, rot or crack, and never need painting.
