

Bandit Stool with Bandit Table

Bandit Stool with Bandit Table

BANDIT

The spirit of the Australian bushranger is alive and well in the Bandit range of seating and tables. The Bandit stool is utilitarian too, with integrated hand holds for easy lifting and stacking features when not in use.

Combine the Bandit stool with the Bandit Low or Bandit Dine Table for casual seating arrangements. The robust Bandit Stool is suitable for both indoor and outdoor environments.

The Bandit Table is suitable for interior use only.

Designed by Andrew Berry.
