

CLASSICO

CLASSICO: functionality and design. CLASSICO planters come in six sizes and a variety of colours.

Include the unobtrusive LECHUZA coaster and your plants become mobile! The five stable rollers make it easy to move up to 180kg of plants and planters.

LECHUZA'S sub-irrigation system takes care of your plants for up to 12 weeks, ensuring that they receive the right amount of water and nutrients for optimum growth.
