

DIAMANTE

DIAMANTE's unique surface structure combined with a high-gloss finish reveals the planter's multifaceted personality from every angle.

DIAMANTE's diversity and expressiveness make it ideal for both tall and exotic plants. Arranged in an ensemble, it can bring even austere surroundings to life.

LECHUZA's sub-irrigation system takes care of your plants for up to 12 weeks, ensuring that they receive the right amount of water and nutrients for optimum growth.
