

PADDLE AND PODIUM SIGNS — RECYCLED PLASTIC

Metal Art Limited
Street & Park Furniture

Paddle Sign

Replas designed the Paddle Sign in consultation with Surf Lifesaving Australia, and now they are installed to display important local information throughout coastal Australia.

The Paddle Sign head measures 835mm x 435mm, into which is inserted a UV resistant acrylic sheet detailing all the required information. It is mounted on a 145mm x 1500mm post to create a robust structure that will withstand the rigours of coastal conditions for many years to come.

The Podium sign uses the same Paddle Sign head, usually mounted with landscape orientation, on a post angle-cut to a length that suits the purpose. The joint between head and post is secured using a metal bracket.

Podium Sign
