

PINCH

Pinch is a magically simple stool with a soft curved lip draping down to a gentle 'X' form. On rotation, the stool can be conveniently and securely stacked. A range of heights make the Pinch an ideal solution whether the need is for seating around a low table, or a set of bar stools.

Available in a range of colours to suit all occasions, Pinch is the answer when simplicity is required.

Designed by Brian Steendyk for ANON&Co.
