

# GOLDEN MILE SEAT

**Metal Art Limited**  
Street & Park Furniture

The Golden Mile Seat is an icon of Wellington's Lambton Quay street-scape. This heavy duty seat stands on legs of cast iron, its galvanized steel frame supporting timber slats of the highest quality saligna hardwood. All metal components in the Golden Mile seat range have a hard wearing finish available in the colour of choice.

Where high quality public seating spaces need to be maximised in a city street or mall environment, the classy Golden Mile Seat is a practical option that will give many years of service.
