### PLEASE READ ALL INSTRUCTIONS

#### EQUIPMENT REQUIRED

- Simple Green Cleaner
- Soft bristle scrubbing brush
- Gloves (if needed)
- Clean Micro-Fibre Cloth and Water

#### BEFORE YOU BEGIN

- Carefully read Simple Green MSDS and product label
- Put on gloves (if needed)

#### STORAGE

- Do not store Simple Green in direct sunlight or in temperatures over 49° C
- Keep away from sparks, open flame and heat source.

#### DISPOSAL

- Carefully read Simple Green MSDS and product label
- Put on gloves (if needed)

#### SAFETY INSTRUCTIONS

- Keep out of reach of children
- Do not swallow
- Do not breath vapours
- Avoid Eye Contact
- Use in well ventilated area
- Individuals with sensitive or pre-existing skin conditions should wear waterproof gloves.
- Do not spray into pilot light, electrical connections, switches, heating elements or thermostats
- Do not stick pin, nail or any other object into opening on top of can.

#### FIRST AID

- If eye contact occurs – rinse for 5 minutes with water. Remove contact lenses (if present) and continue rinsing eyes for another 10 minutes. If eye irritation persists, consult a doctor
- If skin irritation occurs – wash with soap and water. Seek medical attention if irritation continues. Wash clothing before re-use
- If Simple Green is ingested – drink plenty of water to dilute. Mild stomach or intestinal upset may occur due to deterative properties. For advice contact a Poison Information Centre on 13 11 26 (Australia wide) or a doctor

SIMPLE GREEN CLEANER

SOFT BRISTLE SCRUBBING BRUSH

MICRO-FIBRE CLOTH

**WHAT TO DO?**
**HOW TO DO IT**
**SAFETY INSTRUCTION**
**1 Set up empty planter**

- Place empty planter in well ventilated, clear area (3m away from electrical sockets/ cables), preferably outside.
- Ensure ground is flat and product is stable

- Make sure planter is in well ventilated area for cleaning.
- Ensure correct lifting technique when handling products less than 14kg. This includes ensuring the knees are bent, maintain natural curvature of spine and lift with your legs not your back.
- If Product weighs more than 14kg get help with lifting and ensure correct lifting techniques are followed.

**2 Spray surface with Simple Green Cleaner**

- Shake Can well
- Spray onto whole surface holding can 20 – 25cm away from planter.
- Leave foam to sit for 60 seconds (Longer for heavy dirt build up)

- Avoid eye contact
- Do not breath vapours
- Individuals with sensitive or pre-existing skin conditions should wear waterproof gloves
- Do not spray into pilot light, electrical connections, switches, heating elements or thermostats
